5C - **Approve the Investment Policy for Monies of Orange County Vector Control District for Fiscal Year 2011-12:** The Investment Policy was initially adopted in June 2006 and is approved each fiscal year. It ensures compliance with California Government Code Section 53600 et. seq. and provides clear guidance for investment of all monies of the Orange County Vector Control District. The regulations set forth in this policy apply to all District financial assets for fiscal year 2011-12.

The District invests 100 percent of its reserves with the Local Agency Investment Pool (LAIF). Attached is the most recent Pool Money Investment Account (PMIA) Investment Policy (Exhibit A). Pool Money Investment Account is the program in which the State Treasurer invests taxpayers' money; and LAIF is a component of PMIA.

The Budget and Finance Committee is scheduled to discuss this item on May 19.

Orange County Vector Control District has been asked to vote on the proposed new by-laws. These new by-laws mirror the procedures followed by the City Selection Committee. By giving the President of the Board of Trustees the authority to vote for the District, each ISDOC or LAFCO issue does not have to be directed through the entire Board of Trustees.

Recommended Action: It is the District Manager's recommendation that the Board of Trustees approve voting authority to the Board President for all Local Agency Formation Commission and Independent Special District of Orange County matters.

5E - **Report of District Activities:** Enclosed with the Agenda is the Report of District Activities as submitted by staff to the Board of Trustees by separate report dated May 13, 2011.

8. **ADOPT RESOLUTION NO. 356, ADOPTING THE ANNUAL OPERATING BUDGET FOR FISCAL YEAR 2011-12:** The proposed annual budget was distributed to Trustees at the April 21, 2011, Board Meeting. On April 28, 2011, the Budget and Finance Committee met at the District office to review and discuss the proposed fiscal year 2011-12 budget. A motion to accept the 2011-12 annual budget was made by Trustee Murray, seconded by Trustee Weinberg, and passed by unanimous vote, to include the following revisions.

Budget and Finance Committee Revisions:

1. Remove from the Budget a capital outlay expense in the amount of \$75,000 (Account 10.140.8100). This expense was designated for a reconfiguration and refurbishment of the District's Board Room. Staff shall submit an outline to the Board of the project that will "phase-in" the capital expenditures associated with the proposal over the course of the next several fiscal years.
2. Account 10.120.7901 shall receive a change of title from "Employee Events" to "Employee Appreciation."

8. **ADOPT RESOLUTION NO. 356, ADOPTING THE ANNUAL OPERATING BUDGET FOR FISCAL YEAR 2011-12:** (continued)

In response to suggestions from Trustees at the Budget and Finance Committee meeting, and the Building, Property and Equipment Committee meeting, along with Trustee comments at the budget workshop, staff is recommending the following revisions to the proposed annual budget for fiscal year 2011-12:

1. A revised capital outlay expense within the Executive Department of \$25,000 to begin the first phase of Board Room refurbishments. This will fund the removal of existing cabinetry and counters to increase capacity, new lighting, and new reconfigured tables. The project is proposed to be phased in over the course of the next three fiscal years, as opposed to a \$75,000 request to complete the project in fiscal year 2011-12.
2. A decrease of \$200,000 in the transfer requested from the Operating Fund (Fund 10) to the Environmental Fund (Fund 75). This amount is requested to be allocated to a new Habitat Remediation Fund (Fund 70) as discussed in item 3 below.
3. The addition of a new fund entitled Habitat Remediation Fund (Fund 70) and a \$200,000 transfer from the Operating Fund (Fund 10) into Fund 70. This would allow for remediation project expenses with partnering agencies to be segregated within one fund.

Recommended Action: It is the District Manager's recommendation that the Board of Trustees:

- 1) Approve the Fiscal Year 2011-12 Budget as written, including the following budget revisions:
 1. A revised capital outlay expense within the Executive Department (Account 10.140.8100) of \$25,000 to begin the first phase of Board Room refurbishment. The project is proposed to be phased in over the course of the next three fiscal years.
 2. A decrease of \$200,000 in the transfer requested from the Operating Fund (Fund 10) to the Environmental Fund (Fund 75). This amount is requested to be allocated to a new Habitat Remediation Fund (Fund 70).
 3. The addition of a new fund entitled Habitat Remediation Fund (Fund 70) and a \$200,000 transfer from the Operating Fund (Fund 10) into Fund 70.
 4. Account 10.120.7901 shall receive a change of title from "Employee Events" to "Employee Appreciation."
- 2) Adopt by roll call vote Resolution No. 356 (Exhibit C), Adopting the Annual Operating Budget for Fiscal Year 2011-12 in the amount of \$10,109,990.

[Staff Contact: K. Price. Phone: (714) 971-2421, Ext. 137]

9. **ADOPT RESOLUTION NO. 357, A RESOLUTION STATING THE INTENTION OF THE BOARD TO LEVY THE VECTOR SURVEILLANCE AND CONTROL ASSESSMENT (DISTRICT NO. 1), AND THE MOSQUITO, FIRE ANT AND DISEASE CONTROL ASSESSMENT (DISTRICT NO. 2) FOR FISCAL YEAR 2011-12, AND SETTING A TIME AND PLACE FOR A HEARING REGARDING SUCH LEVY:** On April 21, with the approval of Resolution No. 354, this Board directed the preparation of engineer's reports for the Orange County Vector Control District Vector Surveillance and Control Assessment District (District No. 1) and for the Mosquito, Fire Ant and Disease Control Assessment (District No. 2).

Separate updated Engineer's Reports for District No. 1 and District No. 2 have been prepared by Willdan Financial Services, the District's assessment engineer and assessment administration firm. These Engineer's Reports ("Reports") establish the basis and justification for the continued levy of the assessments for fiscal year 2011-12. The Reports have been updated based on the assessment engineer's more recent findings regarding special and general benefit and other assessment engineering determinations. These enhancements and revisions to the Reports do not modify the underlying assessment methodology or basis for either assessment.

The proposed assessments for District No. 1 for fiscal year 2011-12 are \$1.92 per benefit unit. The total amount of revenues that would be generated by the assessments in fiscal year 2011-12 is approximately \$1,509,144. The assessments for District No. 1 for fiscal year 2011-12 are not proposed to increase from the rate of assessment in fiscal year 2010-11.

The assessments for District No. 2 included a voter approved annual increase to the maximum authorized assessment rate equal to the change in the Los Angeles Area Consumer Price Index ("CPI"), not to exceed 3% (three percent) per year without a further vote or balloting process. The change in the CPI in 2011 was 1.8%. Therefore, the maximum authorized assessment rate for fiscal year 2011-12 that could be levied without additional voter approval is \$6.32 per single family equivalent benefit unit.

The proposed assessment rate for District No. 2 for fiscal year 2011-12 is \$5.02 per single-family equivalent benefit unit. This is the same rate as was set for last year's assessment and represents a zero change per single-family equivalent benefit unit. This proposed rate is also \$1.30 per single-family equivalent benefit unit below the maximum authorized assessment rate. The total amount of revenues that would be generated by the assessments in fiscal year 2011-12 at the proposed rate of \$5.02 is approximately \$4,124,774.

If the Board approves the resolutions listed above, a Public Hearing would be held at three o'clock p.m., June 16, 2011. A notice of the hearing would be given by publishing a notice once, at least ten (10) days prior to the date of the hearing above specified, in both the Orange County Register and the Los Angeles Times. At this Public Hearing, after receiving public testimony, the Board could take final action on setting the rates of assessment and collection of the assessments for fiscal year 2011-12.

10. **ADOPT RESOLUTION NO. 358, APPOINTMENT OF DISTRICT MANAGER**

MICHAEL HEARST AS DISTRICT TREASURER: It has been recommended by District Counsel Burns that the most recent District Manager, Michael Hearst, be appointed as District Treasurer. The former District Manager had been appointed to Treasurer and as a result of his separation from the District, the new Manager should be named.

Recommended Action: It is District Counsel's recommendation of that the Board of Trustees adopt Resolution No. 358, Appointing District Manager Michael Hearst as District Treasurer of the Orange County Vector Control District (Exhibit G).

[Staff Contact: Alan Burns, (714) 771-7728]

11. **ADOPT AMENDED OPERATIONS CODE OF THE ORANGE COUNTY VECTOR CONTROL DISTRICT BY ADOPTING 1) ORDINANCE NO. 3/2011 CLARIFYING LIMITS ON THE DISTRICT MANAGER'S SPENDING AUTHORITY AND RESTRICTING EMPLOYEES FROM OBTAINING SURPLUS DISTRICT PROPERTY; AND 2) ORDINANCE NO. 4/2011 PROVIDE FOR PROCEDURES FOR COMMITTEE MEETINGS:**

At the March 17, 2011, meeting of the Budget and Finance Committee, staff was asked to analyze the current administrative policies and procedures as they related to the past pre-payment issue of the Haster Business Park lease. The Operations Code was scrutinized due to the fact that all general provisions for both staff and Board of Trustees operating procedures are dictated by this document. Suggested changes to the code were conveyed by staff to District Counsel. Additionally, staff is proposing that the committee protocol resolution also be incorporated into the Operations Code for case of reference. As a result, District Counsel developed the two attached ordinances (Exhibit H and J). The Budget and Finance Committee met on April 21, 2011, and recommended the ordinances be brought to the Board of Trustees for approval on May 19.

Recommended Action: It is the District Manager's recommendation that the Board of Trustees amend the Operations Code of the Orange County Vector Control District by approving 1) Ordinance No. 3/2011, Clarifying Limits on the District Manager's Spending Authority and Restricting Employees from Obtaining Surplus District Property; and 2) Ordinance No. 4/2011, Provide for Procedures for Committee Meetings.
